

## Marguerita

2 cups tequila (Jose Cuervo)

1 cup triple sec

juice of 3 limes

1/2 of 12 oz can of limeade concentrate

Blend with a little ice and mix well, pour over ice cubes in salted rimmed glasses.

To salt glasses, use lime rind to wet the outside rim of glasses. Dip glass into salt. (before filling with marguerita!) :-)

If you would like to change the flavor you may add an orange, grapefruit or strawberries to your mix.
